What particular need or challenge will this project address? In what ways does that align with the mission of the Foundation and the ministry and structure of PHPC?

Specifically, how do you propose to use the funds? (i.e., What is your overall project plan? your goal? your time line? What will you actually do? Who will participate? How does this project address the need or challenge you've identified?)

What communication plans do you have for letting the congregation and other appropriate audiences know about this project?

How will you measure the impact or success of this project?

What is the total cost of this project?

From what other funding sources have you requested assistance?
